

COMPETE LEVEL UP

Ratings described

Only wins help your rating improve, losses are lessons learnt and you will not lose

points for losing to lower ranked players. Your latest thirty scores count. If you lose too many matches you will be downgraded to help you win again and enjoy the game at your level. Play at your level, compete in tough matches and improve. Climb the ladder to tennis success.

	GTR RATING	
GTR Points	What tennis should you be playing	Level Ball & match
0 -500	Entry level	Level 1 (Red Ball)
